(intro) C—D—G (4x)

                                  C    G    C    G  
Your everlasting love is high-er, high-er,

D                                  G  
Higher than the sky

                                  C    G    C    G  
Your everlasting love is high-er, high-er,

D                                  Em  
Higher than the sky

                                  C  
Higher than the sky

                                  Am                                  D  
Oh the wonder of your everlasting love  
Is higher than the sky (intro)

(Verse 2)

Your everlasting love is deeper, deeper,  
Deeper than the sea...

Bridge

          C    G                                  D                                  G  
Higher than the heavens above

                                  C    G                                  D                                  G  
are the glories of Your wonderful love

          C    G                                  D                                  G  
I'm lost in the mystery of

                                  Em  D  
Your everlasting love, Your everlasting love

(Verse 3)

Your everlasting love is reaching, reaching,  
Reaching out to me...
